

**OTF LIONS PERRIS POP WARNER**  
*Powered by Only the Family Impact Nonprofit Organization*

**Investing in Youth. Building Leaders. Strengthening Community.**

The **OTF Lions Perris Pop Warner program** provides youth in our community with opportunities to grow through **football, cheer, mentorship, discipline, and leadership development.**

Our mission is to ensure that every child—regardless of financial circumstance—has the opportunity to participate in youth sports in a **safe, structured, and empowering environment.** Many of the families we serve face financial hardship. Our organization remains committed to **never turning a child away due to inability to pay.** However, the cost of running a safe and successful season continues to grow.

**A Critical Need in Our Community**

Currently, our teams practice with **minimal lighting because we cannot afford stadium lighting at our practice field.** As daylight hours shorten, our young athletes are often practicing in **low visibility conditions,** which impacts both **safety and the quality of their training experience.** With community support, we hope to improve our practice environment so our youth can train **safely, confidently, and with pride.**

**Your Sponsorship Supports**

- Football equipment (helmets, shoulder pads, uniforms, safety gear)
- Cheer uniforms and practice materials
- **Practice field improvements and lighting for evening practices**
- Practice and game field rental fees
- League and facility insurance coverage
- Player and cheerleader scholarships for low-income families

**Community Sponsor Recognition**

Sponsors will be recognized based on their level of support and may receive:

- Logo placement on team banners
- Business recognition at home games
- Social media promotion
- Logo placement on team practice shirts
- Vendor booth opportunities at games
- Recognition plaque or certificate

**Why Partner With Us?**

By becoming a sponsor, you are not only promoting your business — you are **investing in the youth and future leaders of our community.**

Your support helps provide opportunities that keep children **active, engaged, mentored, and off the streets.**
