This sponsorship is sometimes the most critical. Many kids are left out of a programs, camps, etc.. such as ours, not because they can't pay, but because they think they can't play unless their parents pay. We have established guidelines to approve needy kids for scholarships into our program, and we simply ask for a local business or organization to supply our program with the necessary funds to ensure the child's inclusion in our program.

If you are unable to provide one of the above sponsorships, any and all donations are greatly appreciated. Only the Family Impact thanks you for your commitment to our community and your willingness to consider sponsoring OTF.

OTF is incorporated in the State of California & is a Non-Profit Organization. All donations are tax deductible.
